

Larry Vuckovich Presents

Here's a chance to book an outstanding band under the leadership of pianist Larry Vuckovich. Larry was Vince Guaraldi's only student, and later his piano partner in the two-piano Quintet called "Powder Keg." Their unique relationship was productive and it flourished for many years, lasting until the end of Vince's life. **This exciting ensemble is available to perform at concerts, and clubs, and private events.**
The whole of Vince Guaraldi: from Latin Jazz, to bebop, to Peanuts
