## An intimate musical duet with vocalist **JACKIE RYAN** and **LARRY VUCKOVICH**

**Saturday  
November 14  
7:30 pm**

Jackie Ryan and Larry Vuckovich display a close musical/creative rapport, which goes back over 20 years. Their repertoire is most diverse featuring jazz classics, rare standards, South American boleros, Brazilian, blues and more.

Piano and voice duets are similar in concept to violin and piano presentations. This is a powerful format where the strength of the music comes through without the need of a rhythm section. It's an intimate due format displaying close musical chemistry between the wonderful voice of Jackie Ryan and seasoned, creative accompaniment by Larry Vuckovich, who has accompanied such vocalists as Jon Hendricks, Mel Torme, Irene Kral, Joe Williams, Tony Bennett, Anita O'Day, Bobby McFerrin and many more. The rapport between Jackie and Larry covers various areas of jazz styles and various tempos. Forest Hill Concerts offers refreshments. \$20. suggested donation.
